## BARROWBY SUMMER FÊTE AND SCARECROW COMPETITION - A FANTASTIC WEEKEND FOR ALL!

The Barrowby Events team, and all of us at the Barrowby News, would like to say a huge thank you to everyone who braved the weather and came along to the Summer Fête.

It wasn't an easy weekend at times with the weather, but despite the difficulties a great time was had by all, both during the day with the many stalls and activities, and then into the evening

with a bar, food and great live music.

Although the number of scarecrows was slightly less than other years, the creativity on the Olympic/Paralympic theme was outstanding. See inside and on our Facebook page for more photos.

**The Barrowby Events team did an amazing job organising the whole weekend.**

We at Barrowby News would also like to thank everyone who came along to see us over the weekend at our stall. Our wine and water competition proved very popular, as did Name the Jellycat. Well done to the winner; the Jellycat has gone to a new home with a new name, Binks.

Our Raffle was particularly successful this year. We would like to thank everyone who bought raffle tickets, right up to the last minute on Sunday afternoon when the wind had forced us to retreat into the marquee. The raffle would not have been the success it was without our sponsors, whom we would like to thank for their generosity in donating the fantastic prizes.

### BARROWBY EVENTS TEAM SAY THANK YOU

A big thank you goes to Barrowby Parish Council who generously sponsored the weekend, alongside Gary Bond Handyman and Property Maintenance Services, Molly Brown Design, Vertu Honda and Chapel Fabrications, who were responsible for the amazing Scarecrow trophy.

The Event Team were supported by a fantastic team of volunteers who worked hard all weekend, from helping set up on Friday all the way through to the clear up on Monday.

Without sponsorship, support from the village and volunteers the weekend wouldn't have been possible. Thank you to all.

### GARDENERS' ASSOCIATION TIPS FOR OCTOBER

- Now is the time to plant daffodils and tulips. Try in a container and bring a little colour to your patio or front door in the Spring.
- Hyacinths are good indoors and easy to plant. Try planting a few close together and enjoy the scent when grown.
- If you have a pond, September and October are the most important months for feeding the fish as they do not eat in the cold months and need to build up their food reserves.
- Scarify or rake the lawn in two directions; aerate and apply autumn fertiliser.
- In the veg plot sow winter lettuce and rocket.
- Look out for garden centres and stores selling off seeds at reduced prices.

## ST JOHN'S COMMUNITY FRIDGE

St John's Community Fridge is a space that brings people together to share food and prevent fresh food going to waste. They're open to all, and anyone can share or take food. This includes surplus from supermarkets, local food businesses, producers and households and gardens.

Each year in the UK we throw away almost 15 million tonnes of food and drink. Nearly half is perfectly good to eat! The community fridge enables businesses and individuals to waste less by sharing good quality food that's at or just beyond its use-by date. You can drop unwanted food off and/or help yourself to a bag of goodies.

The St John's Spitalgate Church Community fridge is open:

Wednesday 9:30am – 10:30am

Friday 2pm – 3pm

Saturday 11:30am – 12:30pm

They are always looking for more volunteers, either to help with picking up food, or with running the fridge. All training will be given. For more information email [stjohnsfridge@gmail.com](mailto:stjohnsfridge@gmail.com) or simply go down to chat to them in person. They can also be found on Facebook.
