BARROWBY PARISH COUNCIL - SPEEDWATCH INITIATIVE GETS UNDER WAY

Having completed the Community Speedwatch training which has been organised by the Parish Council, four volunteers recently carried out 2 Speedwatch sessions in the village. Over 250 cars were checked, on Rectory Lane and Low Road. There was no recorded speeding, so clearly the high visibility campaign has an impact. The more often it is done, the more it will make motorists think twice about their speed when driving through Barrowby. More sessions are planned once schools return. There is another training course for anyone wishing to get involved, on Wednesday 28th August at 7:00 pm, Allington Village Hall.

Please advise clerk@barrowby-parishcouncil.gov.uk if you wish to attend.

BARROWBY BELL RINGERS RING NATIONALLY!

During the weekend of 14th and 15th September, Barrowby Bell Ringers will be having an open tower event to coincide with All Saints' Church's harvest open weekend. This will be a great opportunity to see how the bells work, and to have a go yourself at ringing.

Barrowby Bell Ringers have a reputation within Lincolnshire Bell ringing circles for being good at teaching, especially with young ringers. They currently have 4 young ringers (under 18) at Barrowby and would love for more to join them.

Recently the teachers from Barrowby took seven young ringers from across Lincolnshire to London to take part in the Ringing World National Youth Contest where they came joint 5th out of 14 teams.

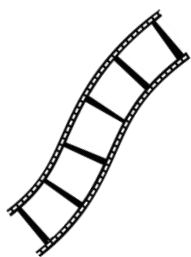

If you would like to join them and are 11 or over, you can turn up at the open day, come any Wednesday evening 7.30-9pm or email barrowby@sb.ldgcb.org.uk.

GARDENERS' ASSOCIATION TIPS
FOR AUGUST

- It's time to plan your Autumn bulb planting.

- If you are cutting gladioli for the house, leave at least 4 leaves on the stem in the ground to encourage light into the leaves. This will strengthen the corm and promote stronger growth next year.

- Cut sweet peas to prolong flowering.

- Keep a bird bath topped up with fresh water and leave a large saucer on the ground for hedgehogs and other garden visitors.

- Water containers and hanging baskets and feed occasionally. If possible move into a shady spot away from direct sunlight.

- A good idea is to make a list of what has been successful in the garden for further reference for the coming year.

BARROWBY CUBS VISIT ALL SAINTS' CHURCH

Barrowby Cubs recently visited Barrowby All Saints' Church. They had the chance to go up the bell tower and had a go at ringing the bells. They completed a riddle trail around the church and found things inside that they had never noticed before, despite having visited

the church many times. They discovered a creature under the font, and a phoenix in a stained glass window.

ALL SAINTS' CHURCH IS GOING FOR GOLD – CARBON NEUTRAL BY 2030!

As part of the Eco Church project run by A Rocha, All Saints Barrowby is working hard to shrink its carbon footprint and support the recovery of wildlife and nature.

Having achieved silver last year, Barrowby aims to be the first church in Lincolnshire to secure the highest level, gold award by the end of this year!

To help meet this target, the plan is to start the switch from non-renewable gas to a sustainable electric heating system. The church is currently seeking technical permission and funding to make this happen.

TALKING NATURE

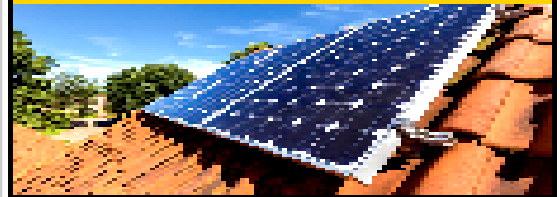

Bats in the Belfry

Barrowby All Saints' Church
Monday 9 September, 7.30 p.m.

Sally Clifton from the *Lincolnshire Bat Group* (and curate from Boston Stump) will continue this interesting series with a talk about bats.

Hopefully there will be the chance to see the resident bats of All Saints' Church emerging, inside or outside the church.
