## NEIGHBOURHOOD PLANNING GROUP - PUBLIC CONSULTATION MEETING FRIDAY 21ST FEBRUARY

7:00 pm - 9:00 pm MEMORIAL HALL

The draft Neighbourhood Plan and its associated evidence base will be published on the Parish Council website on **Friday 14<sup>th</sup> February**. This will be accessible at

[www.barrowbyparishcouncil.org.uk](http://www.barrowbyparishcouncil.org.uk)

All residents of Barrowby are invited to the public consultation meeting.

*"The Barrowby Neighbourhood Plan is an important planning document which will shape the future of our community over the next decade and beyond. It is relevant to all parishioners and those who value our long history, heritage and sense of community."*

At the public meeting you can find out how you can have your say re comments/ amendments before the final version of the plan is published for consideration by SKDC and the Planning Inspectorate. Later in the year the finalised plan will be subject to a local referendum, held by SKDC. This will be the opportunity for the village to decide whether the proposed plan represents a suitable way forward for the future development of Barrowby.

## FOCUS ON BARROWBY - UPDATE FOR 2025!

Since we started this feature about What's On in Barrowby, back in 2023, parishioners have been very positive about this 'one stop' opportunity to find out what is happening in and around the village. New residents have found our guide particularly helpful.

Once again we want to showcase local societies, sports and social clubs, and leisure and activity groups in Barrowby. If you run a local group or activity group, this is your chance to reach over 1200 households to tell them what you are all about!

From Open Door cinema, keep fit, yoga, bridge and scrabble, to cubs and scouts, football, mother and toddler groups, children's clubs, coffee and cake socials - there is something for everyone.

Look out for the FOCUS ON BARROWBY insert in next month's issue.

If you would like to give us some information about your group/club/activity please email us at [news@barrowby.org.uk](mailto:news@barrowby.org.uk) or contact us via messenger on our Facebook page, [Barrowby News](#), before 31st January.

## BARROWBY PARISH COUNCIL - UPDATE FROM CHAIR

I wanted to use this opportunity to update you all on some recent local developments. Firstly, huge congratulations to the team of Barrowby residents who, working with the Parish Council's 'Green Space and Recreation Working Group' have been awarded funding from South Kesteven District Council's 'Make Space for Nature' scheme. The biodiversity project will see more than 60 bird, bat, and habitat boxes pop up across the village. We will also be holding a community event in March where you can make your own bird nest box to install at home in your garden, so look out for further details coming soon!

Secondly, as reported in last month's Barrowby News, the new development on Low Road has (literally) unearthed some very interesting historical finds, and if there is sufficient interest the developers have offered to conduct some site tours to view the Iron Age Roundhouse excavations.

If you are interested in viewing these findings please can you either email your name to [clerk@barrowbyparishcouncil.gov.uk](mailto:clerk@barrowbyparishcouncil.gov.uk) or ring on 07710 087124 and leave your name and contact phone number. Details of the date and time will be agreed at a later date near the end of the dig.

## RECYCLE YOUR ALUMINIUM CANS!

A group of Year 8 and 9 students at Walton Academy are raising money to take part in conservation projects in Borneo in 2026, and they need your help!

All you need to do is save your aluminium drink cans and drop them off at the can collection point in the churchyard at All Saints Church.

You will find the grey bin by the path towards

Barrowby School, near the wildlife information board.

Thanks to your support, they've already collected over 270kg of aluminium!

## RECYCLE YOUR SWEET TUBS!

If you have any clean, empty plastic sweet or cracker tubs left over from Christmas, you can drop them off on

Butt Lane (off High Road) in a grey dustbin kindly provided for recycling these and other items such as greetings cards and wrapping paper.

All proceeds from the recycled plastic tubs will be donated to Macmillan Cancer Support.

Visit <https://www.greeneking.co.uk/christmas/tub2pub> or #tubsforpubs for more information. Ends 16th February.

### BARROWBY PRESCHOOL

Barrowby PreSchool re-opened its doors after the Christmas break, welcoming all the children back for the start of the new term. Numbers of children are picking up, with a few new starters.

Monday 6th January saw the children having a snow day at home due the weather conditions.

Jo Jingles attends on a Tuesday afternoon offering the children music and movement sessions. The children learn about the four different music elements and the different sounds that the instruments make, whilst all the while having fun, moving to music.

New families are more than welcome to pop along and have a look round. Please email [barrowbypreschool@yahoo.co.uk](mailto:barrowbypreschool@yahoo.co.uk) or telephone on 07415450311

### SCOUTS CHRISTMAS POST UPDATE

The Scout Christmas Post collection and delivery service 2024 raised £2,700, all of which will go towards both individual Scout groups and District projects.

Thankyou to everyone who used the service for Christmas 2024.

### ALL SAINTS' CHURCH 'TWELFTH NIGHT REVELS'

On Saturday 4th January Barrowby Church held a celebration to mark the end of the Christmas festivities. Over 30 people enjoyed the traditional 12th night activities of wassailing and dancing, as well as a very popular mummers' play which took its cast from members of the audience.

As well as being a wonderful way to bring the Christmas celebrations to a close, it was also a fund-raiser to help keep the church open this coming year, so that they can continue to welcome all members of the community. Thank you to everyone who supported the event.
