CHRISTMAS IN BARROWBY

Throughout December anyone walking or driving through the village after dark cannot miss the festive lighting displayed on many houses. However, you may have missed these outstanding lights on Adamstiles. The lights are there every year, and are well worth going out of your way to see them.

The home owners are using the lights to raise awareness of the Lincolnshire Greyhound Trust. This is a charity dedicated to the rehoming of retired greyhounds. You can make a donation to the charity at the house, or online. For more information visit <https://lincolnshiregreyhoundtrust.co.uk>

BARROWBY BELL RINGERS WILL BE RINGING IN THE NEW YEAR

Over the Christmas period, Barrowby Bell Ringers will be ringing for the main services that are happening at All Saints' Church. You will be able to hear them at different times- Sunday 22nd December 5:45 - 6:30 pm and again on Christmas Day 9:15 - 10 am. They will also be ringing in the New Year starting at 11:15 pm on New Years Eve and finishing at 00:30 am on New Years Day. As both Christmas Day and New Years Day fall on Wednesdays this year, which is their usual practice night, there will be no practice on those evenings!

If anyone aged 11 and over would like to join Barrowby's happy band of bell ringers (aged 11 - 80ish), the first practice in 2025 will be Wednesday 8th January at 7:30 pm in church. No experience is necessary as full training can be given. If you are unable to make Wednesdays, or just want to get in touch, please contact barrowby@sb.ldgcb.org.uk

ANOTHER SUCCESSFUL BARROWBY CHRISTMAS EVENT

Despite the dreadful weather, Saturday 23rd November saw fantastic support for the second Barrowby Christmas Fayre, and Barrowby's Annual Charity Christmas fair. Visitors packed into the Memorial Hall, the Reading Room and All Saints' Church. There were plenty of delicious treats on sale, and opportunities for Christmas shopping - homemade pies and cakes, unique arts and crafts, prints and jewellery. And of course Santa came to visit, delighting those children who came to see him.

At All Saints' Church the Charity Christmas fair raised an amazing £628 for the Grantham Disabled Children's Society. Those who visited the Church were treated to music and Victorian dancing, as well as local crafts and produce. The W.I. provided mouth watering refreshments and gave a generous donation to the charity. The organisers want to thank in particular the volunteers, those local businesses who provided raffle prizes, and all who donated to the tombola.

Thankyou to everyone who came out to support this local community event, and made it such a successful day for the local sellers and merchants who attended all 3 venues.

NEIGHBOURHOOD PLANNING UPDATE

After 7 years of public consultation, together with the collection and analysis of data, the Neighbourhood Planning Steering Group are near to the completion of the Draft Neighbourhood Plan. We anticipate that we will be able to present this to the village and begin our final consultation in late January or early February.

This will be your chance to have a say about the contents of the Plan before we make final amendments prior to submitting it to SKDC and the Independent Planning Inspector.

Before our Plan can have legal status it has to be subject to a referendum of the Barrowby electorate, which we are aiming to have on the same day as the local elections in May 2025.

ARCHAEOLOGICAL FINDS ON LOW ROAD HOUSING DEVELOPMENT

Residents may have noticed that there has been additional activity on the next phase of housing development off Low Road. There have been extensive archaeological excavations on the Allison Homes site, and evidence has been discovered of two iron age roundhouses. These are now being investigated and mapped by the archaeological team working on site. There have been no artefacts found but investigations are on-going. This exciting discovery will add significantly to what is already known of the history of this area. Although residents may want to see for themselves, please do not attempt to enter the site or disturb any of the ground being researched. It is vital that the site is left intact for archaeologists to finish their work. We will update residents when we can.
