MERRY CHRISTMAS FROM BARROWBY PARISH COUNCIL

As we come to the end of another busy year, Barrowby Parish Council would like to thank everyone who has contributed to village life in 2025.

This year saw strong community engagement, particularly around planning and development issues. The recent Parish Poll gave a clear mandate for the Council to oppose major development within the parish, and we will do all we can in the year ahead to honour that message and protect the character of our village.

Amid the challenges, there has been much to celebrate. The Scarecrow Festival once again brought colour and laughter to our streets; Barrowby Flowers has filled the village with beautiful displays; and the RAGS volunteers have been busy building bug hotels and bird boxes to support our local wildlife – a real testament to Barrowby's community spirit. We also welcomed new councillors, a new Parish Clerk and a new RFO (Responsible Finance Officer) this year. We extend our thanks to Julie Moss for her four years of dedicated service as Clerk, and to all our staff and volunteers who keep the village tidy and running smoothly.

From everyone at Barrowby Parish Council, we wish you a very Merry Christmas and a happy, peaceful New Year. Together we will continue to work hard for our village in 2026.

Nigel Eaton, Chair of Barrowby Parish Council.

BARROWBY ACTION GROUP - NOVEMBER UPDATE

It has been a busy few weeks for BAG, and the group wanted to share what has been happening.

We started with the Parish Poll, where an incredible **40.67%** of residents turned out – and an overwhelming **97.5%** voted that enough is enough, calling on the Parish Council to oppose all major development in the parish. Thank you for your fantastic support and for recognising how important this issue is for our community.

The very next day, BAG and the Parish Council were in the planning chambers defending the TPO-protected trees and the bats that live within them. We were successful in halting all work on the trees until an independent survey could be carried out, and we secured a reduction in the proposed works to minimise stress and potential damage. We have also followed up with SKDC to confirm that a replacement TPO tree will be planted by 31 December.

Next came the Environmental Assessment deadline. Once again, Barrowby residents spoke up clearly and eloquently to SKDC, explaining why our countryside matters – and why we are prepared to stand together to protect it.

Following the poll, we have met with the Parish Council to discuss how we can work collaboratively to safeguard Barrowby's character and landscape. Together, we have also met with Objection Officers to understand the next stages in the process. We now expect the planning application to come forward soon, so we are continuing to prepare, research and strengthen our case.

However, engaging professional planning and environmental consultants to defend the village is costly, and we are now fundraising to help cover these essential expenses. If you would like to support BAG's work, donations can be made via our GoFundMe page (<https://www.gofundme.com/f/barrowby-action-group-stop-major-development>) (please note that fees apply), or directly with no fees through our HyperJar account:

Sort code: 04-00-85 **Account number:** 06885241 **Name:** Lyndsay Sadler.

Finally, a huge thank you once again for your continued support. It is inspiring to see how our community has come together to defend our countryside and preserve the character of our rural village.

CHARITY RUN FOR CHILDREN WITH CANCER UK

Readers may remember that in 2024 Barrowby resident Nathan Taylor ran the London Marathon for this special charity. And in 2026 he is set to do it again!

Nathan's training is well underway, and he hopes to put in an even better time and that residents will engage with his effort to raise funds for this very special cause. Any donation, big or small, will go a long way to help.

You can donate by visiting the QR code above, or by visiting this link:

https://2026tcslondonmarathon.enthuse.com/pf/nathantaylor-2026londonmarathon?utm_campaign=website&utm_medium=email&utm_source=enthuse#qrCode

We will keep readers up to date with Nathan's progress.

BARROWBY PRESCHOOL GET MESSY!

Before half term, Barrowby Preschool embraced the Halloween spirit with messy play activities. The children explored different textures—hunting for spiders in cornflour gloop, washing pumpkins, and creating explosive pumpkins. Preschool still have spaces for children from the age of 2-4, so if you are looking for a friendly home from home preschool then why not pop along and visit them.

GARDENERS' ASSOCIATION:

TIPS FOR DECEMBER

In December, there is not a lot of activity in the garden or on the plot, other than

- keep weeds down
- check on stored dahlias and gladioli
- generally tidy up greenhouses and sheds
- take the time to clean and overhaul lawnmowers and garden tools.

DID YOU KNOW?.....

Hurst Crescent is named after
Dr Thomas Hurst, who lived
from 1598-1672 and became
Vicar of Barrowby in 1629.
A staunch Royalist during the
Civil War, he became Chaplain
to King Charles 1 and was
imprisoned and ejected from
being Vicar.
He did not return to Barrowby
after the Restoration of the
Monarchy in 1660, but moved
to Grantham and became a
friend of Isaac Newton.
